

NATCON- 73

Pre-Conference Workshop

 26-11-2026

Sri Lalithambigai Medical College & Hospital
Service Rd, Maduravoyal, Adayalampattu, Chennai-95

**Evidence - Based Anatomy
Anatomical Meta - Analysis**

Resource Faculty

Dr Adil Asghar
Professor, Department of Anatomy
AIIMS, PATNA

Workshop Overview

This workshop introduces the principles and practice of Evidence-Based Anatomy (EBA) and highlights the transformation of anatomical research from a primarily descriptive discipline to a rigorous, quantitative, and evidence-driven science through Anatomical Meta-Analysis (AMA).

Who can Attend?

- *Anatomy Faculty
- * Researchers
- * Postgraduate Students (MD/MS/PhD)
- * Medical Educators
- * Clinicians interested in anatomical research
- * Anyone keen to learn evidence-base research methods

Learning Objectives

- * Understand the concept and importance of Evidence-Based Anatomy
- * Design focused and answerable research questions
- * Conduct comprehensive literature search and study selection
- * Critically appraise anatomical studies
- * Extract and synthesize data using meta-analytical methods
- * Interpret results and assess heterogeneity
- * Prepare manuscripts for publication in reputed journals

Registration

Fee ₹1500 -
<https://natcon73.in/Registration.php>

An E Certificate will be provided
to all the participants
